### **Biography**

#### **Simon Shwall, Founder & CEO OKO**

Simon is a micro-insurance specialist and a Franco-Luxembourg entrepreneur. After working as a consultant in London and Dubai, he joined BIMA, a start-up distributing micro-insurance via mobile in emerging countries, valued about USD 300m. Simon has developed the most popular life and health insurance in Papua New Guinea and Fiji, and won several awards. Last year, Simon launched his own company: OKO. OKO is an automated farm insurance solution for small producers in Africa.
