

Since 2014, the Inclusive Finance Network Luxembourg is the platform that brings together public, private and civil society actors from Luxembourg involved in inclusive finance. The value of InFiNe lies in the wide range of expertise characterized by the diversity of its members.

The network leverages Luxembourg's significant expertise, to promote financial inclusion globally, as a key to empowering vulnerable populations.

With the support of

Luxembourg's Inclusive Finance Ecosystem Strongly Represented at SAM 2025: A Strong Collective Commitment to Vulnerable Populations in Africa

Luxembourg's inclusive finance sector demonstrates exceptional engagement at SAM 2025 with InFiNe coordinating its collective visibility through a shared booth, alongside broader ecosystem participation in the conference and side events' programmes.

Have a look at our members' activities, meet them at the Innovators' Village and Investor Fair, and let's meet at our booth in the networking area!
