

Action Plan 2026

BUILDING LUXEMBOURG-BASED SOLUTIONS TO
MOBILIZE PRIVATE CAPITAL FOR INCLUSIVE FINANCE

19.05.2026

De-Risking Working Group

Agenda

- 1 **Welcome and Introduction** *(5mins)*
- 2 **Presentation and Discussion of the Draft 2026 Work Plan** *(45mins)*
- 3 **Next Steps and Call for Contributions** *(10mins)*

Where We Stand Today

A strong foundation built in 2025. The working group has completed its foundational phase, establishing common understanding and documenting Luxembourg's existing expertise...

Shared understanding of de-risking concepts established

+50%

Active engagement from over 50% of InFiNe members

Knowledge exchange through workshops and webinars

International visibility (Building Bridges conference, IF25)

Luxembourg expertise on de-risking documented

Today's challenge: *moving from knowledge to action*

2026 Objective

From Understanding to Implementation... Based on the Working Group 2025 Action Plan, in 2026, the working group will focus on:

Identifying concrete gaps in de-risking mechanisms

Developing actionable solutions

Structuring collaboration around key risk areas

Contributing to a Luxembourg-based de-risking initiative

Goal: *mobilize more private capital for inclusive finance*

A New Approach

From discussion to concrete solutions

Current Limitations

Discussions remain broad and exploratory

Opportunity to strengthen ownership on specific topics

Opportunity to further translate insights into concrete outputs

Proposed Solution

Create focused task forces within the Working Group to:

- 1 Deep dive into priority risks
- 2 Deliver tangible outputs
- 3 Strengthen member engagement and ownership

Step 1: Identify Priority Risks

Focus on What Matters Most to Members

Proposed focus areas:

Map existing de-risking initiatives and collaborative models globally

Currency (FX) risk

Credit / counterparty risk

Political / regulatory risk

Non-Financial Risks

Next step: *validate and prioritize 2-3 risks with members*

Step 2: Task Force Structure

Each Task Force Will Include :

WORKING MODE

Meetings regularly

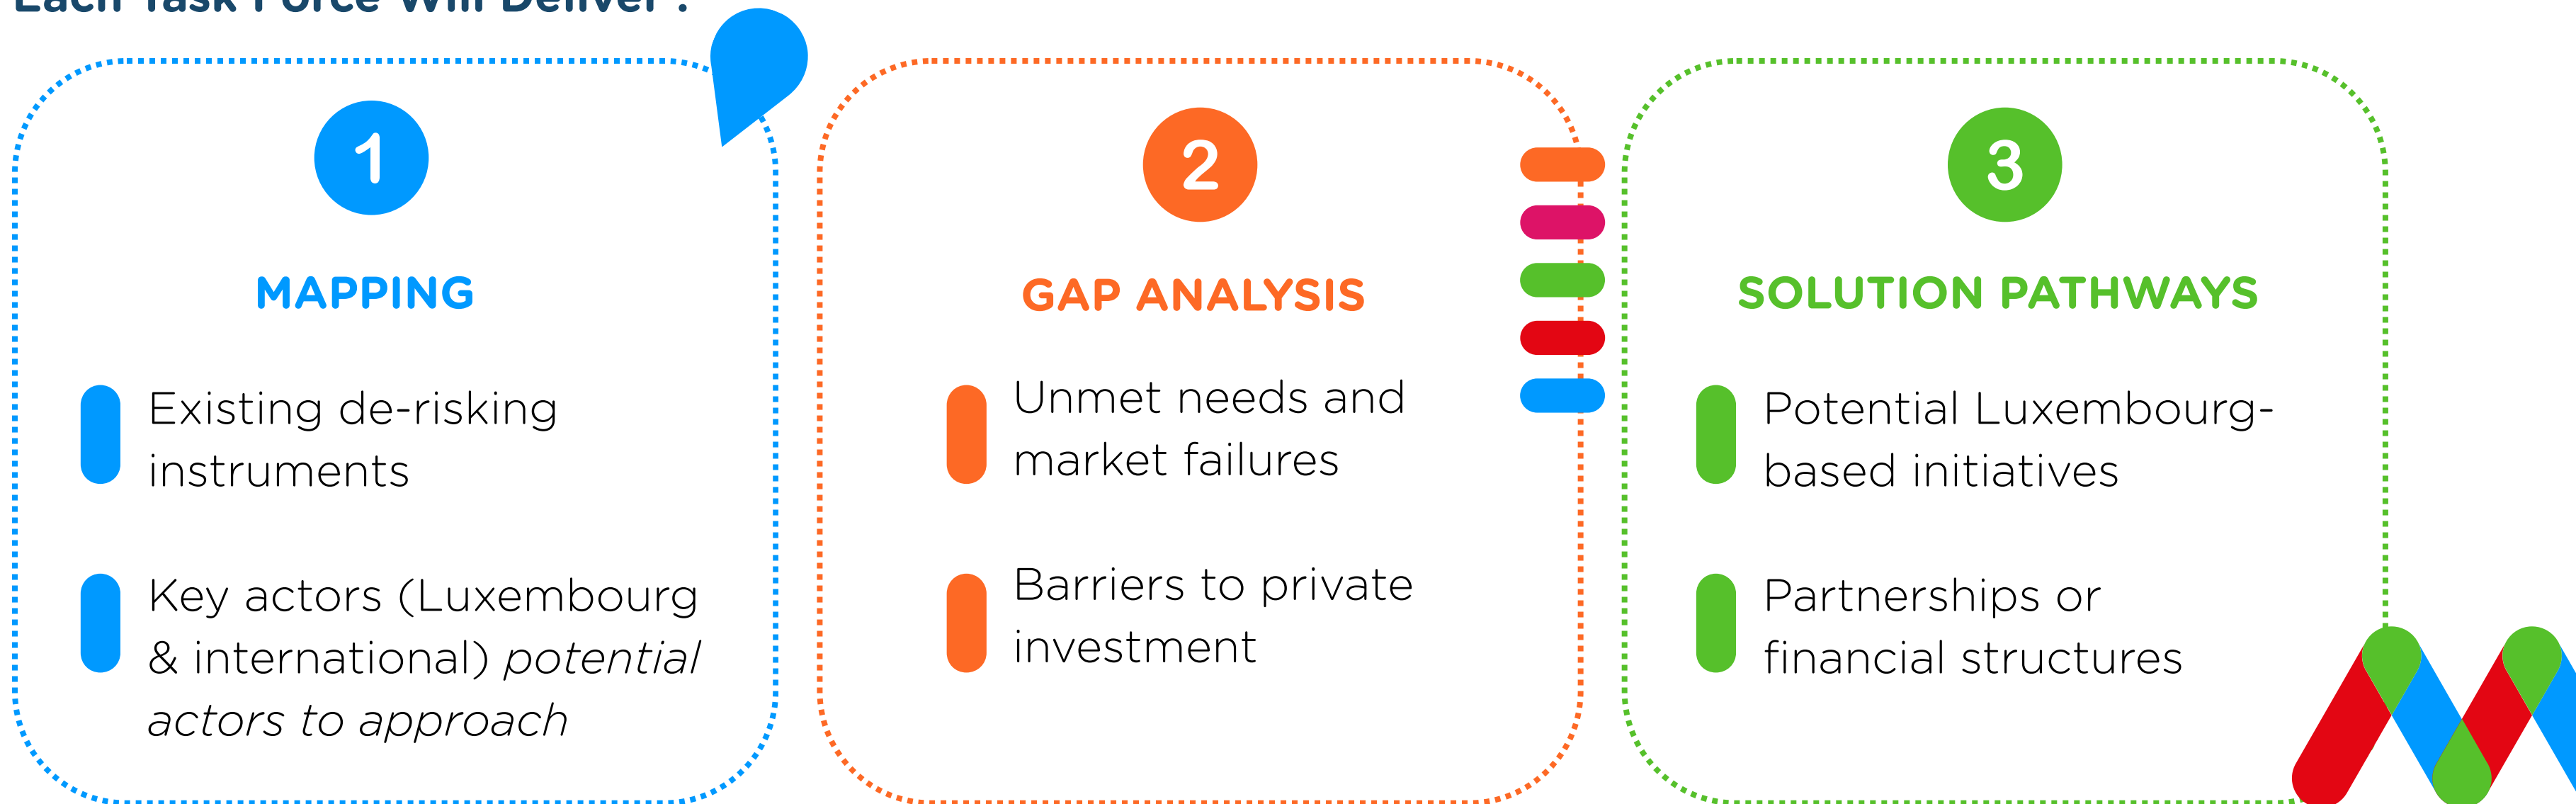

Clear objectives and deliverables

Regular reporting to the Working Group: first meeting to report back to the Working Group scheduled for beginning Q3 2026?

Step 3: Expected Outputs

Each Task Force Will Deliver :

Objective: *move toward actionable solutions*

Step 4: External Engagement

Bringing in Targeted Expertise

WHY ENGAGE EXTERNAL STAKEHOLDERS?

- Learn from existing initiatives
- Access technical expertise
- Strengthen credibility

HOW?

- Invite to specific task force sessions
- Engage based on topic relevance

Examples:

Development Finance Institutions

Fund managers

Guarantee providers

Hedging specialists
